MS Fire Protection Engineering³	8	\$14,100		\$17,001	\$870	\$31,971
MPS Dairy Products Technology	15	\$25,900		\$17,001	\$1,252	\$48,732

¹Subject to change. See Cal Poly Financial Aid web page for current costs of state sponsored programs and Extended Education web site for cost for self-supported programs.

²Orientation fees vary and this cost is not included in total estimate of costs.

³ Health insurance estimate based on Fall, Winter, and Spring enrollment only. Enrollment in Summer quarter increases health insurance cost by \$282.13. Students not enrolling in summer classes have the option to purchase the insurance on their own at the same rate.

⁴ACCOMPANYING DEPENDENTS: Unless they have U.S. citizenship, all family members must carry their own I-20 Forms and apply for F-2 visas. Proof of additional funds is required in the amount of \$5,000/year for a spouse and \$3,000/year for each child. If bringing spouse and/or dependents, please also submit the I-20 Dependents Form.

⁵ Includes College of Business Fee of \$169/unit.

Because Cal Poly is a California State funded institution, financial aid and scholarships are NOT provided by Cal Poly to international undergraduate students. Verified scholarships, fellowships, stipends or grants may be used to substitute for the required amount. Visit the Cal Poly Financial Aid web page to explore other sources of aid.

Graduate students may apply for the Non-Resident Tuition Waiver to waive the out-of-state portion of fees for one year.
